Method of Delivery	The student must serve as an intern at least five (5) months (4 year exit students) / six (6) months (3 year exit students) at a company.								
Course Definition									
Introduction	This course unit provides industrial exposure for students, with the aim of producing socially responsible professionals with entrepreneurial skills, leadership qualities and integrity. This is a NON GPA course unit and the students will be placed in different IT companies (registered under UCSC internship program) where they must serve as an intern for a period of at least five (5) months (4 year exit students) / six (6) months (3 year exit students) at the placed company. During this period student will get the exposure on practical use of the knowledge they have acquired from the university curriculum, thus creating a value addition to enhance overall graduate quality and employability.								
Course Aim/Intended Learning Outcomes	<p>Upon completion of this course, students will be able to</p> <p>LO1. Apply the knowledge acquired from the university curriculum in the practical context.</p> <p>LO2. Demonstrate professional skills.</p> <p>LO3. Develop soft skills required for professional development.</p>								

Assessment Plan	<p>A Student should obtain a “C” grade to pass this course unit. The Student grade will be calculated based on the following components/evaluations:</p> <ul style="list-style-type: none"> • Final internship presentation and panel discussion: 50% • Final Report together with the monthly progress reports (at least 5 monthly progress reports must be submitted and should be authorized by the company officials): 30% • Company evaluation (Student will be evaluated by the company): 20%
